Dear Commissioners,

The purpose of this letter is to inform you of my intent to retire from my position as Administrative Assistant. My last day on the payroll will be Friday November 15, 2024.

I want to thank you, as well as those who came before you, for the opportunity to work at the Erie County Water Authority.

Your leadership and that of your Senior Staff have created an environment of collaboration, cooperation and independence that has made ECWA an incredibly special place to work.

The list of people I should be thanking is exhaustive, too exhaustive to say it here. I would simply like to say to all my fellow employees, from blue collar to white collar to administration, that I could never have gotten the job done without your assistance and support.

Regards,

Stan Jemiolo
