Greetings,

I am looking for information regarding Cimarand Dr, Williamsville, NY, 14221. Back in 2014 -2015, there was a water main break on Cimarand Dr. The owner was told by her insurance company that the Town of Amherst told them that water main was going to be replaced in 2015. To date the line has not been replaced. I am looking for information as to;

1. Why it wasn't replaced.
2. Who gave the order to cancel.

Thank you  
Paul Francavilla
