Temporary Tariff Surcharge

March 5, 2025

To Our Valued Customers

We are reaching out to inform you of an important development that will temporarily impact pricing. Due to newly imposed U.S. tariffs on Canadian products, we will be implementing a temporary 25% surcharge on affected items, effective March 6, 2025.

These tariffs have significantly increased our costs, and while we have explored all possible alternatives to absorb or minimize the impact, this surcharge is necessary to maintain the quality and reliability of our products and services. We will continue to monitor the situation closely and adjust accordingly if conditions change.

We appreciate your understanding and continued partnership. If you have any questions or would like further details, please feel free to contact your account representative.

Sincerely,
Garrett Speck
