Hello,

I hope that you are doing well. We're working on a preliminary study for a client and are looking for flow test data (static pressure, residual pressure, pilot pressure, water flow capability, etc.) for the following address:

[3300 Seneca St, West Seneca, NY 14224](#)

This data would be very helpful for our engineering calculations, if you have flow test data on hand for a nearby address, that could be acceptable as well. I appreciate the help and please let me know if you have any questions or concerns.

Regards,
Carter D. Pisarski
