Dear Clerk of the Court,

I hope this message finds you well. I am writing to request copies of all records related to water shut-offs in Erie County, New York, over the past 30 days. Specifically, I am interested in any documents pertaining to notices of shut-off, orders for shut-off, and any related communications or filings.

Please provide details on the process for obtaining these records, including any fees associated with the request. If possible, I would prefer to receive the records electronically. If electronic delivery is not available, I am willing to arrange for pick-up or provide a mailing address for the physical documents.

Thank you for your assistance. I look forward to your prompt response.

Best regards,

Jon Andreessen
