Hi Terrence,

I am reaching out to hopefully acquire some information regarding an existing water main in terms of its location, pipe size, and pipe type. The location or area that we need is the block of Odell Street running from Ingham Avenue to Wilmuth Avenue. This is the section of road that the Lackawanna Municipal Housing Authority office and Taggart park are located.

Let me know if it's possible to obtain this information.

Thanks,
Kyle Renda
