Good afternoon,

I am attempting to obtain additional details about usage at a property. There is a homeowners claim filed for water damage to have occurred on or about 10/01/2022. At this time, the homeowner is deceased, and the claim was filed on behalf of the property.

Address is 9690 Trevett Rd, Boston NY 14025. The unit provided to us is "A"
Current owner listed is Duane Woodhouse.

A claim has been filed by the Public Adjuster firm Rutledge Claims Management.
For reference, the Liberty Mutual claim is 053817972.

Should additional information be needed, please contact me via email or at 804-401-4462

Information sought: when was water cut off to the property (if ever); were there any significant spikes in usage documented on or around the date 10/01/2022

Thank you,
