Good afternoon. Our office is getting ready to prepare a Boundary & Topographic Survey of the property located 5400 Southwestern Boulevard (SR 20), Property ID 182.05-1-6.11, in the Town of Hamburg, Erie County, NY. I wanted to see if you had any mapping illustrating the water lines running in this area, as well as any possible connections to the building(s)? We would utilize this mapping solely for reference purposes in the preparation of our survey. If you could contact me at your earliest opportunity to advise on the availability of same, I would greatly appreciate it.

Thanks so much,
Linda
