Hey my name is Emmanuel Agu and I am requesting water shut off lists for the towns in Erie county like Amherst, Tonawanda, Cheektowaga etc. I understand that buffalo does not have water shut offs due to the pandemic. I am requesting this list for a project that I am working on for my business. In addition, can I have the list in excell format and can it be attached as a pdf to my email. Thank you for hearing me out and I would be so appreciative if you can make this happen for me. Thank You
