Hello,

I am conducting a property and environmental condition assessment for the property at 387-393-399 Delta Road in Amherst, NY and was informed the Erie County Water Authority was recently (September 2024) at this site investigating water leaks and performing an investigation and repair of a broken water main.

I am requesting electronic forms for all pertinent data, analysis, reports etc. related to this incident and investigation

Best Regards,

Matthew Zeigler | Vice President
