*Re: FOIL REQUEST Erie County Water Authority  
By Email*

Dear Mr. McCracken:

Pursuant to New York's Freedom of Information Law (article 6 of the Public Officers Law) and any regulations duly adopted pursuant to that law, request is hereby made that the following records be made available for inspection and copying by the undersigned:

Please provide the undersigned with all documentation or records regarding the involvement of the Erie County Water Authority in the planning, design, consultation, excavation, construction and implementation of a project on property owned by the Town of Hamburg.

I have attached 2 maps: an area map labeled Tax Map Town of Hamburg 160.05, prepared by Aero Service for the Real Property Division of Erie County, dated 1981, and a smaller composite showing the area for which the information is requested outlined in red.

The property is delineated as follows:

Bounded at the confluence on the north of Electric Avenue and Johnson Street, and the south of the centerline of Mundy Street, and on the east by a series of property lots between Mundy Street on the south and Johnson Street on the north.

The 2<sup>nd</sup> Map

attached map labeled Map section to include excavation starting at Mundy north to Johnson indicates Block 6 between Mundy and Johnson and shows the Town of

Hamburg/Osborne Heights PT 3 and PT 4 section is in Hamburg North Central Water District and Eric County Sewer District No. 3.

Please provide the undersigned with the names of all contractors hired to do project work(s) on the property, and the contracts awarded with a description of the project work(s) to be performed on this property. Please provide contracts and information pertaining to this request from January 1, 2021, and December 31, 2026.

If the Erie County Water Authority is not the contracting entity, please provide the name of the agency(s) who are the entity charged with overseeing the project, including design, construction, and implementation.

Also, a copy of SEQRA, documentation if required for the project and its design and implementation, which includes the removal of trees and vegetation.

This request includes all correspondence, contracts, internal memos, phone conversations, audio, reports statements, examinations, department or other memoranda, opinions, folders, files, notes, pamphlets, photographs letters, transmittal slips and other papers. Video tapes, meeting minutes, interviews, maps, plans, lists, orders, permits, minutes of conversations between all Erie County Water Authority officials including engineers, directors, boards and committees, and engineers. I Included in this request are meeting minutes, for staff, boards, committees, and engineers.

The terms "records" and "record" are employed in this request in their full statutory meaning, including, but not limited to, all requested information kept, held, filed, produced or reproduced by the Erie County Water Authority, and all the above listed entities. Including all board bureau, division, committee, council or office thereof including, but not limited to, reports statements, examinations, department or other memoranda, opinions, folders, files, notes, pamphlets, photographs letters, property, structure records, transmittal slips and other papers.

Before any copying of documents, I wish to personally examine the information as to relevancy of my request.

Yours respectfully,

Michele Frenett
