Section 1 Purpose.

- (a) The purpose of this Conflicts of Interest Policy is to protect the Authority's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a member, ad hoc member, officer, or employee of the Authority. This policy is intended to supplement, but not replace, any applicable state laws governing conflicts of interest applicable to the Authority.
- (b) A conflict of interest is just one example of a violation of ethical conduct. This policy is intended to complement the Authority's Code of Ethics by providing specific procedures to deal with conflicts of interest. To the extent that a matter falls within the scope of both this policy and the Authority's Code

of Ethics, the provisions of this Conflicts of Interest Policy shall govern.

Section 2 Prohibition against Conflicts.

- (a) Section 1068 of the New York Public Authorities Law sets forth the following requirements with respect to conflicts of interest:

It shall be a misdemeanor for any of the members of the authority, or any officer, agent, servant, or employee thereof, employed or appointed by them to be in any way or manner interested directly or indirectly in the furnishing of work, materials, supplies or labor, or in any contract therefor which the authority is empowered by this act to make.

- (3) a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Authority is negotiating a transaction or arrangement.
- (b) Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.
- (c) A personal financial interest is not necessarily a conflict of interest. No conflict of interest exists where a personal financial interest arises solely from an immediate family member that holds a clerical, ministerial or low-level management position with an existing or potential vendor, lacks the power to influence the relationship between the business and the Authority and did not obtain his or her position as a means to influence a member, ad hoc member, officer, or employee of the Authority.

- (f) If you are an attorney in private practice, you must disclose if you or any member of your practice represents any county, city, town or village (ie: municipal corporation), Indian nation or tribe or any entity which conducts business with the Erie County Water Authority.

Section 5 Standard of Review.

- (a) After exercising due diligence, if the Ethics Committee determines the Authority can obtain an equal or more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest, then it will forward the matter to the Board with its recommendation.
- (b) If the Ethics Committee determines an equal or more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, then it will forward the matter for the Board to determine whether the transaction or arrangement should proceed or be terminated. A Board ruling to proceed shall include a determination that the transaction or arrangement is in the Authority's best interest, is done for its own benefit and is fair and reasonable to the Authority.

PURPOSE

The Erie County Water Authority requires members, ad hoc members, officers, and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the Authority, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

As part of our ethical responsibility, any alleged corruption, fraud, criminal or unethical activity, misconduct, waste, conflict of interest, intentional reporting of false or misleading information, or abuse of authority engaged in by an Authority Employee (as defined herein) that relates to the Authority shall be reported to the appropriate individuals as set forth herein.

POLICY

Section 1 Reporting Responsibility.

It is the responsibility of all members, ad hoc members, officers, and employees to comply with Policy No. 11 Code of Ethics & Conflict of Interest Policy and to report violations or suspected violations in accordance with this Whistleblower Protection Policy.

Section 2 No Retaliation.

No member, ad hoc member, officer, or employee who in good faith reports a violation of Policy No. 11 Code of Ethics & Conflict of Interest Policy shall suffer harassment,

¹ This Whistleblower Protection Policy & Procedures restates and replaces H.R. Policy No. 16.0 (Whistleblower Protection Policy).

retaliation, or adverse employment consequence. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Protection Policy is intended to encourage and enable employees and others to raise serious concerns within the Authority prior to seeking resolution outside the Authority.

Section 3 Reporting Violations.

All Authority Employees who discover or have knowledge of potential wrongdoing concerning board members, ad hoc members, officers, or employees of this Authority; or a person having business dealings with the Authority; or concerning the Authority itself, shall report such activity in accordance with the following procedures:

- (a) The Authority Employee shall disclose any information concerning wrongdoing either orally or in a written report to his or her supervisor, or to the Authority's General Counsel, the Director of Human Resources, or any member of the Independent Ethics Panel.
- (b) All Authority Employees who discover or have knowledge of wrongdoing shall report such wrongdoing in a prompt and timely manner.
- (c) The identity of the whistleblower and the substance of his or her allegations will be kept confidential to the best extent possible.
- (d) Any report of potential wrongdoing shall be investigated and handled in a timely and reasonable manner, which may include referring such information to the Authorities Budget Office or an appropriate law enforcement agency where applicable.
- (e) Should an Authority Employee believe in good faith that disclosing information within the Authority pursuant to Section 3(a) above would subject him or her to adverse personnel action or be ineffective, the Authority Employee may instead disclose the information to the Authorities Budget Office or an appropriate law enforcement agency, if applicable. The Authorities Budget Office's toll-free number (1-800-560-1770) should be used in such circumstances.

Section 4 Compliance Officials.

The Office of the Secretary and the Independent Ethics Panel with assistance from the Authority's Legal Department are responsible for investigating and resolving all reported complaints and allegations concerning violations of Policy No. 11 Code of Ethics & Conflict of Interest Policy and will report, on a confidential basis, all allegations to the Board of Commissioners (the "Board"). The Board has the authority to provide funds for investigations as required.

Section 5 Acting in Good Faith.

Information concerning potential wrongdoing is disclosed in “good faith” when the individual making the disclosure reasonably believes such information to be true and reasonably believes that it constitutes potential wrongdoing.

Section 6 Confidentiality.

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

Section 7 Handling of Reported Violations.

The Authority’s General Counsel, the Director of Human Resources, a supervisor, or any member of the Independent Ethics Panel to whom notice of the reported violation or suspected violation was given will notify the sender and acknowledge receipt of the reported violation or suspected violation within five business days. All reports will be promptly investigated, and appropriate corrective action will be taken if warranted by the investigation.

Section 8 Employees.

All board members, and officers and staff employed at the Authority whether full-time, part-time, employed pursuant to contract, employees on probation and temporary employees and former employees shall be considered employees for the purposes of applicability of this policy.
