Subject: Independent Ethics Panel Recommendations for the 2023 Financial Disclosures

On February 6, 2024, the Independent Ethics Panel (the “IEP”) held a meeting to review the following items, and subsequently forward their recommendations, to the Governance Committee and the Board of Commissioners:

- (1) ECWA Financial Disclosure Form for Calendar Year 2023;
- (2) Proposed Amended Policy No. 11:
Code of Ethics & Conflict of Interest Policy;
- (3) Policy No. 16: Whistleblower Protection Policy
- (4) 2023 Vendor List;
- (5) Proposed employee letter sent via regular mail; and
- (6) Proposed employee mail.

A copy of each of the above documents, and the draft IEP meeting minutes, are attached to this memorandum for your review.

2023 Financial Disclosure Form

After discussion, the IEP recommends that the 2023 Financial Disclosure Statement includes a clarification regarding attorneys and the addition of a generalized box under additional information.

For attorneys, on page 5, under the Attorney section, the IEP would like to add the phrases “any member of your firm” and “any entity which conducts business with ECWA” to the existing language regarding attorney conflicts.

The IEP requested an additional write in box on the form under “Additional Information” for a more generalized option for an employe to add any other ethical concerns not previously disclosed or requested on the form.

The form has also been updated to reflect the current disclosure year of 2023.

Policy No. 11 Code of Ethics & Conflict of Interest Policy

The IEP reviewed and discussed Policy 11, the Code of Ethics & Conflicts of Interest Policy. In order to ensure the Code of Ethics & Conflicts of Interest Policy is consistent with the Financial Disclosure Statement, the IEP recommends an additional subsection (f) to be added under “Section 4 Duty to Report” stating:

If you are an attorney in private practice, you must disclose if you or any member of your practice represents any county, city, town or village (ie: municipal corporation), Indian nation or tribe, or any entity which conducts business with the Erie County Water Authority.

Additionally, the Policy should be corrected to include previously Board approved designated employee job titles in Section 2 (b) which were erroneously removed from the revised Policy and Procedures approved by the Board of Commissioners on September 20, 2023. The job titles to be included are:

*Chief Instrument and Control Systems Specialist,
Deputy Administrative Director, and
“Any authority personnel overseeing a bid opening.”*

Policy No. 16 Whistleblower Protection Policy

No changes are recommended for Policy No. 16, Whistleblower Protection Policy.

2023 Vendor List

The Vendor List is sent to employees and others required to file an in-house financial disclosure, pursuant to Policy No. 11. All applicable filers will need to review the list to determine if they may have a potential conflict of interest that needs to be reported to the Authority. The Vendor List includes vendors receiving \$500.00 or more in the 2023 calendar year.

Employee Letter and Employee Email

The Authority notifies those required to file an in-house financial disclosure statement by both regular mail with a hard paper copy of all the necessary documents and by email with links to all the documentation necessary to complete the financial disclosure statement. In the past year, there has been an issue with some terminated and retired employees being slow to respond to the request to complete the Financial Disclosure Statement. Accordingly, the IEP recommends that the following sentence be printed in a bold font to bring attention to the requirement to return the completed financial disclosure: “This includes retirees and/or any person that was employed at the Authority in any part of the year 2023.”

The Independent Ethics Panel and General Counsel agree recommending these changes to both the Governance Committee and the Board of Commissioners for the 2023 Financial Disclosure Packets to be distributed in April 2024.

ARTICLE II CODE OF ETHICS

Section 1 Purpose.

As a public benefit corporation, the Authority must conduct its operations in a manner that best serves the interests of its customers and the public. Its mission is to provide the Authority's customers with a plentiful supply of safe, high quality and affordable drinking water through reliable infrastructure.

The Authority expects its members, ad hoc members, officers, and employees to observe high ethical standards of conduct in the performance of their duties, and in compliance with all laws and regulations governing the Authority's operation. This Code of Ethics shall serve as a guide for official conduct and is intended to enhance the ethical and professional performance of the Authority's members, ad hoc members, officers, and employees and to preserve the public confidence in the Authority's mission.

Section 2 Policy.

Members, ad hoc members, officers, and employees shall perform their duties with transparency and without favor and shall refrain from engaging in outside matters of personal financial interest or of personal interest, including other employment, which could impair their independence of judgment, or prevent the proper exercise of one's official duties.

This Code is in addition to all other laws, restrictions, standards, and provisions applicable to the conduct of the Authority's members, ad hoc members, officers, and employees.

Section 3 Standard of Conduct.

- (a) The Authority's members, ad hoc members, officers, and employees shall:
 - (1) Endeavor to perform the duties of their position to the best of their ability and in a spirit of service to all persons and concerns for which the Authority was created;

- (2) Uphold the high standards of dedicated public service rendered over the years by Authority members, ad hoc members, officers, and employees;
 - (3) Support and encourage fellow employees in the proper execution of their duties;
 - (4) Address any question of conduct or regulation that may occur to either the Authority's General Counsel, or the Chair of the Independent Ethics Panel (IEP).
- (b) Members, ad hoc members, officers, and employees shall conduct themselves at all times in a manner that avoids an appearance that they can be improperly or unduly influenced, that they could be affected by the position of, or relationship with, any other party, or that they are acting in violation of the public trust.
- (c) Members, officers, and employees shall manage all matters within the scope of the Authority's mission independent of any other affiliations or employment. Members, including ad hoc members, officers, and employees shall strive to fulfill their professional responsibility to the Authority without bias and shall support the Authority's mission to the fullest.

Section 4 Prohibited Conduct.

- (a) The Authority's members, ad hoc members, officers, and employees shall not:
- (1) Directly or indirectly receive any compensation or interest, financial or otherwise, or incur any obligation, which would be a substantial conflict with the proper discharge of their duties with the Authority;
 - (2) Engage in other employment that might impair the independence of their judgment in the execution of their duties with the Authority;

- (3) Disclose confidential information, acquired in the course of official duties, or use such confidential information to further personal financial interests;
 - (4) Directly or indirectly solicit, accept, or receive any gift, whether in the form of a promise, money, services, a loan, lodging, meals, entertainment, or anything of value.
 - (5) Arrange for the extension of credit or renew an extension of credit in the form of a personal loan from the Authority.
- (b) Unless otherwise permitted by the IEP or the Ethics Committee, no immediate family member of a member, ad hoc member, officer, or employee may directly or indirectly solicit, accept, or receive any other items described in § 4(a)(4) of this Article.
- (c) Unless otherwise permitted by the IEP or the Ethics Committee, no member, ad hoc member, officer, employee nor an immediate family member of a member, ad hoc member, officer, or employee may engage in the following actions:
- (1) Speculating or dealing in equipment, supplies, or materials normally purchased by the Authority;
 - (2) Borrowing money from the Authority, suppliers, significant commercial customers, individuals, or firms with whom the Authority does business (loans or mortgages from banks or individuals doing business with the Authority are exempt if the terms are at current rates and the customary collateral for such transactions is provided);
 - (3) Acquiring an interest in real estate in which it is known that the Authority also has a current or anticipated interest;

- (4) Misusing information to which the individual has access by reason of his or her position, including, but not limited to, disclosing confidential information (of a technical, financial, or business nature) to others outside or inside the business (whether or not a consideration is received), or using such information for one's own interest or the interest of an immediate family member;

 - (6) Serving as an officer, director, manager, consultant, volunteer, or an independent contractor with another company or business organization directly or indirectly related to the Authority without specific authorization from the Authority; and
 - (7) Legally representing or exerting influence in favor of a current or potential vendor, including but not limited to, assisting in the drafting of applications, plans or proposals for Authority approval or submitting such applications, plans or proposals to the Authority.
- (d) The prohibited actions and activities set forth in this section do not encompass every situation that may lead to a conflict of interest.

ARTICLE III

CONFLICTS OF INTEREST POLICY

Section 1 Purpose.

- (a) The purpose of this Conflicts of Interest Policy is to protect the Authority's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a member, ad hoc member, officer, or employee of the Authority. This policy is intended to supplement, but not

replace, any applicable state laws governing conflicts of interest applicable to the Authority.

- (b) A conflict of interest is just one example of a violation of ethical conduct. This policy is intended to complement the Authority's Code of Ethics by providing specific procedures to deal with conflicts of interest. To the extent that a matter falls within the scope of both this policy and the Authority's Code of Ethics, the provisions of this Conflicts of Interest Policy shall govern.

Section 2 Prohibition against Conflicts.

- (a) Section 1068 of the New York Public Authorities Law sets forth the following requirements with respect to conflicts of interest:

It shall be a misdemeanor for any of the members of the authority, or any officer, agent, servant, or employee thereof, employed or appointed by them to be in any way or manner interested directly or indirectly in the furnishing of work, materials, supplies or labor, or in any contract therefor which the authority is empowered by this act to make.

- (b) In the event the Authority discovers a violation of the above provision, the Authority shall investigate and, if warranted, report the offense to the Inspector General of the State of New York.
- (c) This Conflicts of Interest Policy provides additional guidance regarding actual or potential conflicts of interest, including circumstances not within the scope of Public Authorities Law § 1068.

Section 3 Personal Financial Interest.

- (a) A person has a personal financial interest if the person has, directly or indirectly, through business, investment, or family:

- (1) an ownership or investment interest in, or employment with, any entity with which the Authority has a transaction or business arrangement; or
 - (2) a compensation arrangement with any entity or individual with which the Authority has a transaction or arrangement; or
 - (3) a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Authority is negotiating a transaction or arrangement.
- (b) Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.
- (c) A personal financial interest is not necessarily a conflict of interest. No conflict of interest exists where a personal financial interest arises solely from an immediate family member that holds a clerical, ministerial or low-level management position with an existing or potential vendor, lacks the power to influence the relationship between the business and the Authority and did not obtain his or her position as a means to influence a member, ad hoc member, officer, or employee of the Authority.
- (d) A person who has a personal financial interest may have a conflict of interest only if the Board determines that a conflict of interest exists pursuant to the enforcement and hearing procedures set forth in Article V, § 2 of this Code.

Section 4 Duty to Report.

- (a) A member, ad hoc member, officer, or employee must immediately report to the Authority's General Counsel or to the IEP Chair gifts of any value, whether in the form of a promise or an offer to give money, services, a loan, or to provide lodgings, meals, or entertainment.
- (b) An interested person must disclose the existence of his or her personal financial interest and all material facts surrounding

the Financial Interest to the Authority's General Counsel and to the IEP.

- (c) If the Authority's General Counsel or the IEP have reasonable cause to believe an interested person has failed to disclose an actual or possible conflict of interest, they shall inform the interested person of the basis for such belief and afford him/her an opportunity to explain the alleged failure to disclose.
- (d) After disclosure of the personal financial interest, the General Counsel and the IEP will interview the interested person and conduct whatever investigation is warranted by the disclosure.
- (e) After exercising due diligence, the IEP will report its findings and recommendation to the Ethics Committee. The Ethics Committee will review such findings and recommendations. If the Ethics Committee determines further action should be taken, it will forward the matter to the Board.
- (f) **If you are an attorney in private practice, you must disclose if you or any member of your practice represents any county, city, town or village (ie: municipal corporation), Indian nation or tribe or any entity which conducts business with the Erie County Water Authority.**

Section 5 Standard of Review.

- (a) After exercising due diligence, if the Ethics Committee determines the Authority can obtain an equal or more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest, then it will forward the matter to the Board with its recommendation.
- (b) If the Ethics Committee determines an equal or more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, then it will forward the matter for the Board to determine whether the transaction or arrangement should proceed or be terminated. A Board ruling to proceed shall include a determination that the transaction or arrangement is

in the Authority's best interest, is done for its own benefit and is fair and reasonable to the Authority.

ARTICLE IV EMPLOYMENT RESTRICTIONS

Section 1 One-Year Moratorium.

- (a) No person who has served as a member, officer or employee of the Authority shall within a period of one year after the termination of such service or employment appear or practice before the Authority or receive compensation for any services rendered by the member, officer or employee through or on behalf of any person, firm, corporation or association in relation to any case or transaction with respect to which such person was directly concerned, or participated in, during the period of his or her service with the Authority.
- (b) Notwithstanding the foregoing, the one-year moratorium shall not apply to (i) normal business issues arising because of the person's status as a water customer of the Authority and (ii) professional services provided by such person pursuant to a written agreement with the Authority, to the extent such agreement is otherwise consistent with this Code of Ethics.

Section 2 Nepotism Policy.

- (a) In no event shall an immediate family member of a member be hired during the term of the member.
- (b) An immediate family member of an ad hoc member, officer, or employee may be considered for a permanent position only if all the following conditions are met:
 - (1) The ad hoc member, officer, or employee had no role in approving or appointing the immediate family member, pursuant to H.R. Policy No. 92 (Employment Policy and Procedures); and

- (2) The immediate family member is an appointment from a Civil Service List; or
 - (3) There will be no supervisory relationship between the immediate family member and the related ad hoc member, officer, or employee, and the immediate family member and the related member, ad hoc member, officer, or employee will not work in the same department.
- (c) If current members, ad hoc members, officers, or employees marry, it may be necessary for the Authority to reassign one or both individuals, particularly in the case of close working, or direct supervisory relationships.
 - (d) An immediate family member may be considered for summer or temporary employment only if all the following conditions are met:
 - (1) There will be no supervisory relationship between the immediate family member and the related ad hoc member, officer, or employee; and
 - (2) The immediate family member and the related ad hoc member, officer, or employee will not work in the same department.
 - (e) In no event shall a related ad hoc member, officer, or employee participate in any decision to hire, promote, discipline, or discharge an immediate family member.
 - (f) The effective date of this section is March 26, 2019. Immediate family members whose date of hire is before May 1, 2018, may continue in their current position or may be promoted despite the provisions set forth in this section.

ARTICLE V

IMPLEMENTATION & ENFORCEMENT

Section 1 Distribution.

The Code shall be reviewed annually by the Board and posted on the Authority's website. All members, ad hoc members, officers, and employees shall be given a copy of this Code upon appointment or commencement of employment and thereafter annually.

Section 2 IEP & Ethics Committee.

- (a) The Board designates the ad hoc members of the IEP as its Ethics Officers, who shall report to the Ethics Committee and Board.
- (b) The Ethics Committee shall prepare, review, update, and approve financial disclosure statements to be filed by members, ad hoc members, officers, and designated employees with the IEP.
- (c) The IEP shall have the following duties:
 - (1) Interpret and make recommendations regarding any questions or purported violations of this Code and any statutory ethical standards affecting members, ad hoc members, officers, employees or their immediate family;
 - (2) Counsel in confidence all members, ad hoc members, officers, employees, and their immediate family, who seek advice about ethical behavior;
 - (3) Receive and investigate complaints about possible conflicts of interest and ethics violations;
 - (4) Recommend the dismissal of any complaint found to be without substance;
 - (5) Prepare an investigation report of its findings and recommendations for the Ethics Committee to consider and to recommend such further action be taken by the Board;
 - (6) Record the receipts of gifts or gratuities of any kind,

received by any member, ad hoc member, officer, employee, or immediate family member, who shall notify the IEP within 48 hours of receipt of such gifts and gratuities.

- (d) Any reports or recommendations made by the IEP must list those ad hoc members who concur or dissent with the report or recommendation.
- (e) Members, ad hoc members, officers, and employees are required to report possible unethical behavior by a member, ad hoc member, officer, or employee to the IEP and the Authority's General Counsel. Such a complaint may be filed anonymously and protects the reporting member, ad hoc member, officer, or employee from retaliation. Any form of retaliation is prohibited under this Code and constitutes an ethical violation of this Code.
- (f) At its discretion, the Ethics Committee may recommend to the Board appropriate disciplinary action, which may include, but is not limited to, a reprimand, suspension, or termination. No disciplinary action may be taken without affording the person due process to be heard and to respond to the complaint of unethical behavior. This hearing may also be subject to the applicable provisions, if any, of Civil Service Law § 75 or any applicable provisions of a collective bargaining agreement.

Section 3 Records of Proceedings.

The IEP shall keep records of all proceedings, including:

- (a) Names of the persons who disclosed or otherwise were found to have a personal financial interest in connection with an actual or possible conflict of interest, the nature of the personal financial interest, any action taken to determine whether a conflict of interest was present, and the Board's ruling, if any, as to whether a conflict of interest in fact existed.
- (b) Names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed

transaction or arrangement, and a record of any votes taken, or written rulings made in connection with the matter.
