INTEROFFICE MEMORANDUM

January 9, 2025

To: Terrence D. McCracken, Secretary to the Authority

From: Mark D. Jarmuz, Distribution Engineer *MJ*

Subject: Large Services Contract
February 1, 2025 through January 31, 2027
ECWA Project No. 202500003

On Tuesday, December 17, 2024, the Authority received one (1) bid for the above-referenced contract. The bid has been reviewed, a mathematical check has been performed, and the bidder is Kandey Company, Inc. (Kandey) was found responsible and responsive. Enclosed please find a copy of the bid tabulation sheet for your use and information.

This is a unit price contract; therefore, the quantities are estimated based on previous years' actual quantities and the total amounts are for comparison of bids.

While only one bid was received for this project, we find this bid to be reasonably priced and consistent with the Engineer's Estimate, the current construction market, and previous contracts. The specifications were clear, adequate competition was solicited, and it was assumed that more than one bid would be submitted.

Kandey has performed work in a competent and acceptable manner on numerous Authority's contracts. They have a good understanding of the scope and requirements for this contract.

Kandey has provided adequate WMBE documentation, approved by EEO Compliance Officer, insurance, approved by Claims Representative/Risk Manager, and proof of apprenticeship program, approved by Coordinator of Employee Relations.

We, therefore, recommend award of the Large Services Contract to Kandey Company, Inc. in the amount of \$2,748,015.00, for the Board's consideration and, if approved, for the Chairman to execute.

Budget Information:

Payments paid to the Contractor are made by periodic invoices from OWIP's or EC's. OWIP's are fees paid to ECWA from the applicant for services performed. EC's are ECWA projects that have their own specific budget item.

Attached please find the following documents:

1. ECWA Authorization Form.
2. ECWA Recommendation for Award of Contract form.
3. Bid Tabulation.
