Good morning,

My name is Katie [REDACTED]. I am the purchaser of 59 kaymar drive Amherst, NY 14228. I purchased the home in July 2018. Before closing, a basement wall had foundation issues that was fixed by the seller. We recently realized that there has been a water line break in the cold water pipe in the concrete. At the time of sale, there was a lot of water on the north east side of the house and the sump pump was constantly running. I have a reason to believe that this was broken prior to purchasing the home. I am currently pursuing compensation from the seller for repairs. I am requesting 3 year history of water bills for this home.

Thank you,

Katie M [REDACTED]
