

ERIE COUNTY WATER AUTHORITY
INTEROFFICE MEMORANDUM

February 12, 2019

To: Russell J. Stoll, Executive Engineer

From: Leonard F. Kowalski, Senior Distribution Engineer

Subject: Request for Proposals
Storage Tank Inspections
ECWA Project No. 201900048

In accordance with the NYS Department of Health regulations, all water storage tanks have to be inspected every five years. Fifteen tanks (ECWA-owned and Lease Managed) are due for inspection between now and end of 2021. The Request for Proposals is needed to select a consulting engineering firm for the project. I recommend that the Request for Proposals be issued to the following consulting engineers:

- Arcadis
- CHA Consulting, Inc.
- Clark Patterson Lee
- GHD
- Greenman-Pedersen, Inc.
- Nussbaumer & Clarke, Inc.
- Wendel Companies

I will include an item for the Staff Agenda for the Board Meeting on February 21, 2019. Authorization to issue the Request for Proposals can be obtained at the following Board Meeting.
