

BOIL WATER UPDATE - 7/22/16 4:30PM

FIRST WATER TEST RESULTS COME BACK NEGATIVE

Boil Water Notice still in affect across northern parts of Erie County Water Authority system.

The Erie County Water Authority announces its first of their two required tests for signs of bacterial growth has come back negative.

The Boil Water Notice standard requires two successive satisfactory tests before it may be lifted by the Health Department. Results for the second test will be determined within the next 24 hours and released by The Water Authority as soon as they are available.

For more information, please contact ECWA Customer Service at 849-8444, or the Erie County Department of Health at 961-6800.
